Statement / Notes:

Offense Narrative

On 6-1-2019 at approximately 1715, I was dispatched to 1506 Dale Street in reference to a dog bite. I arrived at the residence, where I made contact with the victim, Brandon Smith. Brandon stated to me that he was riding on his motorcycle, and that his neighbor's dog ran towards him and bit his pants. Brandon stated to me that the dog did not actually make contact with his skin and that the dog only bit his clothing. I asked Brandon to describe the dog. Brandon stated that the dog was small and brown, and looked like a "wiener dog." I asked Brandon which neighbor owned the dog. Brandon stated that it was the blue house on the corner of Dale Street. Brandon asked me what he could legally do if being attacked by an animal in the future. I advised Brandon that he had the right to defend himself from an animal that was attacking him

I left Brandon's residence and went to his neighbor's residence that was supposed to be the owners of the dog. The address of this residence is 1512 Dale Street. Upon my arrival at this residence I saw a dog in the yard, running freely, not on a leash or enclosed in a fence. The dog matched the description of the one that Brandon had given me earlier. I knocked on the door and made contact with a woman whom I later identified as Jennifer Mesey. I asked Jennifer if the dog was hers. Jennifer stated to me that it was. I informed her that her dog had bitten her neighbor. Jennifer stated to me that her neighbor is always revving up his motorcycle and that it agitates and provokes the dog. I informed Jennifer that if the dog was on a leash or enclosed in a fenced up area, the dog would be unable to attack her neighbor on the motorcycle. I then proceeded to issue Jennifer a citation for not having her dog on a leash or enclosed in a fence. I have nothing further at this time.
